Arjun Mehta

Customer Support Lead at Zentro Telecom

Pune, Maharashtra, India

Summary

Support lead with 6+ years in telecom customer service. I run a team of 14 agents handling billing, network and plan queries, and I care about two things: customers who get a fix on the first contact, and agents who stay long enough to get good. Looking to move into customer success or support operations.

Experience

Zentro Telecom

Customer Support Lead

January 2022 - Present | Pune, India

- Lead a team of 14 agents across chat and voice, handling about 9,000 contacts a month.
- Raised first-contact resolution from 68% to 81% by rebuilding the call-guide library and running weekly case reviews.
- Improved CSAT from 3.9 to 4.4 out of 5 in 18 months.
- Cut average handling time by 22% by introducing saved replies and a billing-dispute checklist.
- Mentored 5 agents into senior roles; team attrition fell from 31% to 17% year on year.

Zentro Telecom

Senior Support Associate

2020 - December 2021 | Pune, India

- Handled escalated billing and service-outage cases; resolved 95% within the 24-hour target.
- Wrote 40+ help articles for the internal knowledge base used by new joiners.

QuickServe BPO

Support Associate

2018 - 2020 | Pune, India

- Handled 60+ inbound calls and chats a day for a telecom client; consistently above 90% quality score.
- Won Agent of the Quarter twice for customer feedback scores.
